Buses were very comfortable and neat. Drivers always on time. We much appreciated the perfect choice of restaurants. Food was delicious, restaurants very impressive with excellent service and lovely atmosphere. Perfectly located.

We would like to thank Mrs. Maria Leonor F. Reis E Sousa directly involved in cooperation with us. She is a real professional with great approach to individual needs. Her widely developed interpersonal skills made working with her pure pleasure. Furthermore, we would like to emphasize her engagement and effectiveness in achieving goals.
