Dear Ana Maria,

Thank you so much for all the wonderful work you, Ursula and **Destination Portugal** did for Sikorsky Aircraft and our involvement in the European Helicopter Operators Committee meeting the end of May. The dinner at Hotel Palacio de Seteais in Sintra was the number one event that all members attended during their meeting. It was First Class in every way, and we thank you for making it so. (I had a spy that told me this!)

Mr. & Mrs. Buckley had a wonderful time at Fenha Longa and thought the golf pro was wonderful. Also the drivers were superb.

Mr. Buckley asked that I request you to make some upcoming reservations for him. Unfortunately, he and Mrs. Buckley will not be able to vacation in Portugal due to other commitments. However he will be arriving for one night on June 27th, and would like to stay at Penha Longa. Attached is a sheet with all the particulars, and I would appreciate your assistance once again.

I look forward to talking to you soon.

Best regards,
